I am fighting for our country Ronald. I want people to know there's a better way. I am proud to say I use Hemp. It has kept me off hard drugs, and with no insurance for my mental medication it's hard to take these medicines, and go through withdrawals. Hemp is not illegal. It is legal federally, and in the state of Georgia. I personally see it as god's gift. This is also God's country. I know you are looking after me up there in Heaven, and I will be going to college soon, and possibly working for the Gwinnett County Police Department, and I am working on going into the medical field to help drug addicts, and give them a way out. Hemp is the way.

Ronald Humphries,
I didn't get the chance to say my goodbyes, tell you that I love you one more time, but I want you to know that I loved you and still love you with my whole heart. I miss you more and more everyday but I know one day I'll see you again. You were and always will be the best big brother anyone could Have. You were my protector growing up and I thank you for always being there for me. I love you big brother. You'll always be in my heart.

Ronald was always one of a kind with his loving spirit & always made you smile even when it felt impossible. We all use to be so close until life took over & we all went our separate ways but the Love & bond of family will always be no matter how far apart we we're. Our thoughts & prayers go out to our family & friends during this unspeakable & heartbreaking time. May your soul find rest in Jesus above until we all meet again in that Beautiful place we call "Heaven".
