Comments

“ First met Thomas when we were involved with 4-H ..maybe 5th or 6th grade. A friendship was born and continued.....while we didn't see each others "between" Class reunions, we always had a good visit at those events....remember the 50th and our talk. A mother wants her son to be: level headed, polite, gentle, thoughtful, always considerate of others - that's pretty much how i remember Thomas.

“ So sorry to hear that Tommy had passed away. Sara Jo and Tommy pretty much raised my son, Zach until he was 4 years old. Such great people. Tommy, but known as Poppi to us, will be missed!
