“ Even though we were not related by blood, I always thought of Wendy as my aunt. She was an absolute blast to be around and will be missed greatly. She was an amazing wife, mother and friend. Our thoughts go out to all of her extended family and friends. Much love from Knoxville, TN! Ryan and Julie Hummel

“ Jake, Chris, Jessie, Olivia, Brian and Wendy's extended family and friends, our hearts go out to you. Wendy was a part of our family for over a decade and the mother of our beloved nephew, Jake. We enjoyed many great times with her over the years in TN, GA & FL, and always enjoyed family gatherings shared with her and Chris. She had a hilarious sense of humor, was the life of the party, and was a genuinely caring person with a generous heart. For all who loved her, we truly hope that over time your sorrow will fade into countless warm memories of good times together. With deepest sympathy, Maureen (Bransfield) and Terry Hummel.

“ I remember when Wendy was born. She was the cutest chubbiest little baby girl. As a teenager she was always "on", funny and mischievous. As she grew into a woman, she was beautiful, loyal and loving. It's a corny thing to say but she truly lit up a room. She did crazy impersonations, had a great singing voice and could out sing the angels. She had the best dance moves in the family. I recall her love of animals, fashion, her boys and her family. She loved fiercely and will never be forgotten. Aunt Jeanette

“ I'm so sorry. Cousin Wendy, Brian and our family spent a lot of time together as kids. I have no words.
