“ *I am a driver who was passing by and saw the accident. I tried to find the information just to offer my condolences or even to attend the service. I am deeply sorry. I pray that his memories bring peace. Peace to his parents, brothers and other loved ones. I am so so sorry. I passed the site almost every day, and earlier today I stopped to read his name again. May he Rest In Peace.*

“ *Alex was an awesome young man, remember him from Canaan. He was so nice to all the kids there, he wasn't ashamed of the Lord and showing his love for the Lord. Thomas and Shelly did a wonderful job raising him to be a young man who accepted everyone and loved the Lord! I find peace in knowing Alex was saved and with the Lord today! God be with Alex's family and friends as they lay him to rest today!! Much love, The Pressley's*

“ *I was blessed to know Alex when I drove his school bus. He and his two brothers were among the most well mannered, we behaved, and polite children I have had the pleasure of meeting. It broke my heart when I heard about his accident. But I know, as did everyone who knew him, that he had a strong belief and faith in God. That faith not only led him to where he was meant to be but it is the faith that will get you all through the days ahead. Know that he was needed more somewhere else for right now and rest easy in the fact that you will see him again soon.*

“ My first memory of Alex was advisement for upcoming freshman. I had the privilege of being his advisor at BCHS. He always had a smile on his face. He was the perfect example of a young man. His memories will fill our lives everyday. I believe he would say to all of us, "I'd like the memory of me to be a happy one. I'd like to leave an afterglow of smiles with everyone I knew".

I am so thankful and blessed to have known Alex.
