Mrs. Alice Mona “Mimi” Whisenhunt 90 of Homer, Georgia went home to be with Jesus on Monday October 28, 2024 peacefully at her home surrounded by her loving family. Alice was born October 17, 1934 in Atlanta to the late Henry Boyce and Edna Dempsey. She was preceded in death by her loving husband of 57 years Lester R. Whisenhunt who she shared a wonderful life filled with unwavering love, strength, and commitment. From childhood, Alice was loving and giving to all she knew. She started working at the young age of 14 to help provide for her family after World War II. She continued giving selflessly throughout her lifetime. Alice was witty up until the end of life. She had an uncanny ability to recall dates, places and events. Everyone who knew her marveled over her memory. She could recite poems as well as stories from memory up into the end of life. She loved to recall her childhood, memories of her husband and all the memories of raising her family. Those were her fondest memories. Alice was so proud of her family. Alice’s greatest desire in her life was for her family to all have a

personal relationship with Jesus.

Thank you so much for the kind words. She was a true southern lady. She's missed every day by all who had the privilege to know her . What many people may not know about her is her memory and recall was truly remarkable , even until the end of her life. She could remember verbatim poems that she had written. She was a wonderful writer and she loved her family put her family and Jesus first before herself or anything else. She dedicated her life to her family, raising her children and grandchildren to know Jesus. We had a beautiful unique mother. There is but a few so precious!
