“ I considered Alvin as was of my truest friends that I had ever met he was always happy to see me , he fed my family while my own business was slow he let me work for him when I needed to. He was always willing or up for a trade when you saw him always on a good mood I never in my 25 plus years knowing him and Miss Sarah so him angry, very jovial man I will miss him dearly . I could write a book on the good times we had as my neighbor . I'm sorry I didn't get to see him as much as I wanted after moving to Charleston at least we got to talk and cut up a few times. Good bye my Friend I loved you as a friend and Father figure at times when I needed it .
