“ *My heartfelt condolences and prayers to the entire Johnson family.*

*When God saved me in October of 1994, Fred was the first person I told at work the next day. He hugged me and suggested we start a Bible study in the book of John right away to help me get started on my new Christian walk. Every week we met to read and discuss the Scriptures. I cannot express my gratitude enough for Fred taking the time, energy, prayers and commitment to mentor me and help me become grounded in my faith.*

*Lois, Stephanie, Brad, Brian and Christina, I am so very sorry for your loss. Mr. Johnson was a huge part of my teenage years (as was your entire family). I remember how patient he was when he tried to help me with my homework. And I remember how incredibly kind and gracious he was to me when Sara passed, despite his own grief. God bless your family. Thank you for your love and kindness. I remember you frequently and will be praying for God's comfort. Much love to you.*
