“ From the moment you were born you were a special gift to us. Always happy and loving. I am thankful you are no longer in pain, having to sit in that wheelchair and miss your Daddy. Love to my " little " niece always.

“ Today we lay your body to rest but you aren't here, you are already there in Heaven. You never walked here on earth but you are now running, jumping and dancing. Enjoy eternity with Jesus, daddy and all our family and friends who are there. You are the most precious, pretty and loving sister anyone could have ever had. I say are because the memories will never fade. I love you and miss you forever. We will take care of momma and we will see you again when we are done here.
