“ *Jimmy and Evelyn, I am so very sorry to hear about the passing of Angie. I know mere words can't take away the pain you are feeling. I remember her playing the organ and singing when Jewel and I got married. She wanted that to be her contribution to our ceremony. I am praying for all of you to find comfort and God's peace in this time. Love you! Jennie*

“ Evelyn and Jimmy, my heart is aching to learn of Angie's passing. I hardly know what to say. God has another Angel in the choir. You will see her again in the sweet by and by. I love you, my friend and soul sister. Give Jimmy my love, too. I'll be in touch.

“ So sorry to read this. She was always such a sweet person when I went to school with her at commerce. Was friends with her till I left in 10th grade. Such a sadness to see her leave this earth at the young age of 50. Prayers for her son and extended family. Frankie fouche
