“ Dear Mr. Terry,
You may not remember me, but I rode your bus at UGA back in the 80s. I am so sorry to hear about your loss, and I just wanted you to know that you and your family are in my thoughts and prayers. May God grant you all an extra measure of grace and peace, now and in the days ahead.

“ Dear Leanne and family, we are very sad to learn of the passing of your mother. She was a wonderful lady and will be missed. It was always such a pleasure to see her smiling face working the voting poles in Center and to hear her and your dad's laughter. We pray that our Lord will comfort you all now and in the days ahead. “ Terry and family, our hearts are with you during this time. I can remember seeing you and Ann when I was growing up and Dad would bring me with him to get his car fixed when you lived at the old home place. And who could forget those giant great Danes y'all had back then. Edward and Brenda Epps
