Ann fought a hard, courageous battle. Her four legged friends gave her comfort and kept her going. I'll miss our phone conversations. She was a hoot and would always speak her mind with no filters! She will be missed. My thoughts and prayers go out to you Jeff and Teresa.

“ I remember once being at the Wood reunion, Ann was so happy and I can't tell you what she was showing off because it's too embarrassing for me to mention it and for others to read about it. Always at the Wood reunions she was always laughing and smiling. My Aunt told me once that Ann came to live with us while Dad was away in the Military. I don't remember that I wish I could. I know she had a passion for animals like I do, dogs or me cats. She now isn't suffering anymore and may she rest in peace. I know she will be missed by her family and friends with her radiant smile. Prayers for the rest of the family and may God bless each and every one of you with peace of mind and know that all is well.

“ Our thoughts and prayers are with you in your loss. I always remember getting Christmas cards from Ann and it always had a picture of an animal. She fought a long hard battle. The whole Blalock Family means so much to us.
