“ *AJ, has been on our route the 25 years we've lived hear. He always had a kind word. He had told us several years about Rebecca won't a dog that could sit with her. My husband brought this cute teacup poodle. We gave it AJ to take home. He showed us a picture the next day, she looked so excited. We will really miss him and talking to him. Please let us know if you need anything. God bless and comfort your family. Tina and Roy McHaney*

“ AJ was such a sweet, humble , generous friend and we are saddened that he is gone. When he found out that my grandmother who was in her 90's at that time loved to fish he told me to bring her to his catfish pond and let her fish. From the time she was 97 years old till her 103rd birthday, we brought her to fish every year. She was so touched by their kindness! They even had a meal for her birthday one year! His kindness will never be forgotten ❤️

“ Ive only ever known him as JR. He was always smiling, helpful and a gentleman. JR has been our mailman since we moved here from TX nearly 22 years ago. I talked to him the day before he was tragically taken from this Earth. It is evident that he was a Christian man by his disposition. I don't think I'll ever go to our mailbox and not see his gentle face. 😭

AJ was our route 3 postman for many years. He was such a friendly fellow and kindly brought bundles of mail down our long driveway. He'd blow his horn and my children would run out to meet Mr. AJ. They loved to scoop up the armful of mail from him. He will be sorely missed.
