“ *Troy & family: Although I had not seen her in years, I kept up with her and her health through my mother & father as well as my siblings throughout the years. We grew up as children together and spent many nights in each other's homes. She was a lovely person, wonderful wife, mother & grandmother. I am so sorry for your loss and I am grieving with you today. Our only hope is Christ our Savior so that by his saving grace we will see her again. You are in my prayers and thoughts today. May God hold you close during this time of great loss. May all of your beautiful memories of Barbara sustain you now. Most of all take comfort that she is in the arms of Jesus with no more pain. Hallelujah!*
