“ She was one very precious lady. She welcomed me in home like I was family. I enjoyed them coming to church and fellowship afterwards when we had meals. She always smiled and loved talking about her family, she will always have a special place in my heart. And I'll miss her waving as passing by my house to visit there daughter. I knew her from Arcade Community Church. So sorry to find out about this just this morning. Went to Bobby Comptons FB to find out more. I knew he was a grandson. She even brought me one of his CDs a few years ago. Praying for everyone. With love Debra Christopher
