“ *Betty made a huge difference in my life. She and Harold started coming to the church that my father and mother started in 1962 (Gospel Harvester Chapel). Money was scarce, and Betty made many a Christmas very happy during my childhood. Betty was a faithful children's church leader for many years and I merited from her devoted teaching. She and Harold remained faithful to our church and stood with us through good times and bad times. There was no more faithful friend to our family than Betty. She loved the Lord--and us--with all of her heart. She had a spiritual "knowing" that let her be aware of our most urgent needs and she was always faithful to stand with us in prayer. I love her and know that she has just changed locations as she continues to intercede!*
