“ *I met Betty at St. Paul in 2006 after moving here from Orlando, Florida. Betty was the first to welcome me and soon we became friends. Betty would always give you her opinion. You could always count on her to tell you the truth; and, that what a friend will do always tell you the truth. We talked regularly and kept in touch with each other. Betty was considered as my older sister and friend. I will truly miss that smile and will never forget the times and memories we shared. RIH my friend until we meet again.*

“ *One of Fardan's fondest memories of his Aunt will be that she is the only one that called him "Keenan". She had a sweet loving spirit that he will forever cherish. I (Timeca), also had very fond memories of Aunt Betty. Everytime there was a family occasion, she was always so loving and welcoming towards me. She gave me the best compliments, advice and hugs ever.*

We both loved Mrs. Betty so much and she will truly be missed! God has gained another angel. Until we meet again...

“ By the nature of man I'm an "in-law" but by the vision of God Betty has always been my sister. Betty would tell you that her whole life being filled with nothing but blessing: a husband who being by her side through many ups and downs (if you're married and claim you haven't had any ups and downs then she would say you're lying); three sons and host of grand and great grand children. Over the years she'd being called "nosily Betty" or "Mother Hen" because she was known to be protective but yet tell you what you should and shouldn't do. I recall she telling me to shut-up and that she love at the same time. Betty enjoyed helping people so much, knew who needed help and who could help. She would spend the day picking up and delivery food or working in the church on different committees to help others. She loved to see her family come together and laugh, crack on each other and tell tall tales about how we grew up. Yes Betty, you'll be missed but not by anything I said about you, but by your deeds. We know Gad has recognized your hard work and rewarded you with your place in heaven, so rest now sister and we pray that one day we'll see each other again on the other side.

Love Forever More

“ There are not a lot of women like my Aunt Betty. She was strong in her faith and loved her family. She was quick to correct any child that misbehaved, family or not! I know grandma, mom, uncle Joe & Pip and the Lord welcomed you with open arms as you crossed over so there are no tears. You lived a full life and your presence will always be felt. - Tesci, Anthony, Alex, Elaina and Gabriel

“ I met Mrs. Scott and the family when they became my neighbors down the street. She quickly became like an auntie or second mom. It was important to me that she had center seating at my wedding. Recently I went to see her in Ga and I am so glad we we got to spend time together, she was happy to see me and I was happy to see her. RIH
