“ *Sorry to hear about Bill's passing. I know he will be missed. He and I worked together in Florida for Western Electric in 1957. I have a lot of memories about Bill from that time, especially when I wrecked his brand new 1957 Chevy. It was a minor dent but we had fun over it. Bill was a good friend. Don Wasden*

“ I really hated to hear of this. Bill and I have been friends since 1957.
I knew all his brothers and sisters and lived with him, Betty, Sue
and his parents for a while. Wonderful people all. It was when we
worked in Claxton putting in a new telephone office. Bill and I talked
about that job just a couple of weeks ago. There was a gas station
directly across the street, its telephone number was 8. We had a
good laugh over that. Bill will be miss by so many people. Kelly "EK"
