“ Bobby was a true friend for over 50 years . We started work together at Central Soya in 1966 and have been friends ever since . I admired Bobby. He loved Jackie, he loved Mickey, and he loved his dog . If you knew Bobby, you knew about his family and his dog. Bobby was outstanding at his job. He worked with farmers all over northeast Georgia for 40 years as a breeder service man. Any farmer he worked with will tell you Bobby was outstanding. Our company considered him their very best!
Bobby loved his community and his church, and he did everything he could to support them both.
Bobby was a "man's man " and I was proud to call him my friend.
I will miss him.

“ Bobby was as real and genuine as they come. Good or bad, whatever he told you it was 100% the way he felt. A great trait. And, if he told you he was going to do something, count on it. It would be done. I always considered Bobby a very dear friend.

“ Bobby Archer was a wonderful person and I will miss him so much. For over 20 years Bobby helped me and others during the Athens Audubon Christmas Bird Count. He had a wealth of knowledge concerning birds and other wildlife and I always enjoyed his many stories about the outdoors. My sympathy goes to his family.
