“ As neighbors and friends we recall the many times that the three Klugh Boys ate at our table, slept on our floors and played with our two boys. The many ball games in our back yard, the paper rolling of neighbor's trees and the throwing of water balloons at cars were all part of the fun that Brad, his two brothers and our two boys shared.

We are deeply saddened at the news of Brad and our heart, thoughts and Prayers are extended to Johnny, Shirley, Brad's family, Ned and Bud. As a family that knows God, we are certain that you will be uplifted and always knows the peace of God and understanding from the people who love and care about you.

We love you,
