“ *I worked with Brenda at Northridge for several years. She was a great nurse and a great friend. She was so kind and funny. She always had something funny to say to me. She always would tell you exactly how she felt about things, so if you did not want to hear the truth then you should not ask Brenda. Whenever I saw her she would always say there's my friend and she was a true friend. She will be missed.*

“ *To the family and loved ones: I was totally devastated to read about Brenda's passing. I have had her in my thoughts for a few days. I can not tell you how much she meant to me, even though we lost touch in the last little while. Brenda was such a lovely person and good friend, and she will be greatly missed. Just try to hold on to the good memories and the love that she had for you. Love to you, Pat Murray (Baldwin, GA.)*
