“ I didn't know Brian, but just think if he knew Jesus Christ as his Savior . His next stop is heaven.
I am looking forward to the day that I can call heaven my home.
This world is getting to be a place that God would not be proud of as part of his creation.

“ I was deeply saddened to hear of Brian's passing. I have known Brian all of my life. His dad (Hugh) and my dad (Frank) worked together for many years. Brian and I both were fortunate enough to work with our fathers. We were a tight knit group at Overnite. We were family. I will miss Brian coming in and telling stories. My family and I pray and send our deepest condolences to Brian's family. Rest easy brother. Sincerely, Tony Murphy

“ Sending Prayers and my deepest Condolences to Amanda, Katlin, Mitchell, and the grand children, Also to the rest of the family and friends. Cherish your memories and hold them close. Although we are family I never got to truly know everyone. I remember at Clint and Amber's Wedding Brian had a humor that kept everyone in smiles. These next few days, weeks, months, and years will be hard, but I hope the memories of the good times will help ease the pain. I Love you all dearly.
