“ *The entire Shirley family feels the loss. We extend our sympathies to all of you. She was a great woman, and I always enjoyed the conversations I had with her over the years. I hope justice will be served on those who were responsible. If there is anything I can do, do not hesitate to ask. - Steven Shirley*

It was so special and I will miss her so terribly. My heart's broken. She was a special light to us all and now can be with those she has missed. Love you MAW! Your niece, Terri Shirley*

Aunt Carolyn always had a kindness about her. Her infectious smile and good-natured spirit were her hallmarks. Anyone who knew her could instantly appreciate her warmth and positive nature. She loved people and had a real zest for life. She celebrated life every day and for her, each day was a special one. She was special to everyone who knew her. She was well-loved by all who knew her and will be sorely missed. She had a loving heart and always a kind word. That is how i remember my aunt Carolyn. My prayers go out to her family at this difficult time. --David Shirley

“ Family,
I'm sorry for your loss. No one will ever replace the love of a mother and you all definitely had one of the very best. She made the biggest difference in life. I fell in love with her sweet potatoes topped with marshmallows and a smile that could light up the room. I can still feel her warm, strong hugs and she was always so encouraging to me. May God comfort you all and feel your mind with loving memories.

You all are in my prayers!
