“ *I posted a picture of Cathy as a little girl, one with her brother, a picture of our Mom, with her best friend Imogene, a picture of David & Cathy, with Andrea. This was in 1990, and this was the last time I saw her. She looked so much like our Mom. The same build and that curly hair! She is always in my heart.*

“ Wow, where do I begin? Cathy and I worked together at Bassett-Walker sewing plant in Commerce. When the plant closed we attended Athens Technical College together, had some classes together and ended up at The University of Georgia together. On Friday, June 14th, she came up to my floor, we laughed and talked. The last thing she said to me before heading back downstairs was, "If I don't see you again, have a good one." Now it's my turn, "Have a good one Cathy, I'll see you later." ~Jacquie Gholston

I was blessed to attend many services at Freedom with Cathy and family. She always had the sweetest expression and smile. Couldn't help but love her. I am so sorry. Praying for Bro. Randy and family

I was blessed to attend services at Freedom Church with Randy, Cathy, and family. We prayed, worshiped, did church activities together. She always had a smile. Serena, my autistic daughter, loved Cathy. Cathy helped us with Serena at Church when she was irritable and at Kevin's wedding. Cathy was loved by so many people. If you are saved, we will see Cathy again. Prayers for her family.
