Sending prayers to the family as you travel this valley. Chad was my commercial banker that I also considered my friend. He was one of the few community bankers left and he will forever be missed!

Sharon Lee, Americas Best Storage/PMB - November 13, 2024 at 01:02 PM

No words can describe my recent discovery of Chad's passing. My soul feels disjointed, confused and crushed. In every encounter that I can ever remember over the years, Chad's optimism and smile were infectious. It was about this time of the year where we would discuss our mutual love of the Rockies and upcoming trips to go play in the snow....

This loss will take considerable time to process but I am reassured by the knowledge that as he continues on his journey those around him will embrace and welcome his special spirit.
