“ *Glenn made me laugh when he came to visit at the Athens Feed Mill for Environmental. He always had a smile that lite up his face. I am blessed to have had the opportunity to work with Glenn. He will be missed. My prayers are with his wife, children, parents, and his family. I'll see you in heaven one day my friend.*

“ *Glenn and I had developed a great working relationship over the years. We always ended up talking about family, what his kids were up to, and how proud he was of them. I remember when I told him about expecting my first son, and then my second a few years later, he was so excited knowing that i'd get to experience that same bond. My sincerest condolences to Glenn's family and friends.*

“ Glenn worked on my team at Luxottica. I never had to worry about the environmental side of the house because of his passion, dedication, and knowledge.

*His love for his children and God was evident in our talks we had. He was always up for a good debate. I regret not being able to go hunting with him in Georgia.*

*To his children and wife, you have my deepest sympathies. Glenn's spark lives on in you. Cherish each day with each other and know that he is watching over you.*

“ *To the Family:  
I worked with Glenn at Luxottica Retail. We spoke often about our shared faith in Christ and about our families. I know that Glenn cared deeply for all of his children and was proud of their accomplishments. You have my sympathies as you mourn, and my prayer is that the knowledge that he is now with the Lord will be a comfort and an inspiration to you all.*
