“ *I met Chuck when he lived with the Sidwell's, back when we were in high school. He was my good friend. I'm so happy we were able to kept in touch through facebook. I am so sorry we did not see each other the last time he was in the area. He had a special nickname and as we grew older he said I was the only one who could still call him that. Rest in peace my friend. I will miss you.*
