“ *This is for you peepaw. This is me your baby bailey booboo. Peepaw do u remember the very first time I came to see you at your house, you had came home for cold tea and a quick lunch and u walked in and found me in my bouncey seat sitting on your kitchen table. You were drinking iced tea a took some of your ice and rubbed the bottom of my feet with cubes of ice to see me wake up. Mama said I started kicking my feet crying and you made that your excuse to pick me up and hold me. I know you loved me and I live you too. I miss you peepaw. Till I see you again these memories will be forever special in our hearts please look out for me and protect me till I'm will u again.*

“ Thank you for every prayer and tear drop shed for my daddy. I miss him so much and find it so hard to even imagine getting out of my bed and face the world Monday where everyone that I face will tell me how sorry they are and how I'm in their prayers. I just want to be with my daddy now.

“ *Janie Sue, my best-est girl!*

I will always remember the last "Hey" I got from Charlie. I've kept all the funny e-mails he has sent to me over the years. I knew I had a good one if I got a response from him, or a request later on to send it again.

The snake story is going to be added!!

I love you, forever and then some,
