“ *Psalms 90:10 tells us: “The span of our life is 70 years, Or 80 if one is especially strong.” May your hearts be filled with loving memories of “happy” times together, as you celebrate a life well-lived.*

“ *Linda. I do not know if you will remember me. It has been years since Chess took swimming lessons at our home pool in Maysville. Shirlee Kligh was our teacher and needless to say we all had a blast. That was our first time to get to know Chess and later i would see both of you out and about. Chess had a wonderful friendly personality and you always knew you were standing in the presence of a Godly Christian. Otis and I want to extend our sympathy to you and your family during this time of great loss. May the Lord bless and comfort you and always know that Chess Howard touched our lives in a very special way. We treasure the memories. Otis and Linda Hiland*

“ *I am so sorry to hear of Uncle Chess's passing. I can remember my father (Robert) telling me that I reminded him of Chess. I hope that he meant that I was as kind and caring as I understand that Chess was, a man who loved the Lord. I am very happy that my Sister Angie and my Sister Robin talked with Chess before his passing!*

“ *Linda and family 8-17-2016*

Chess is definitely shouting glory hallelujah and praise the Lord now because he has a new body. He is reunited with Constance and having a great time. Chess made a remarkable impact on my life and family during the short time we knew him. It was good to hear his voice on Sunday even though it was weak. Praying for God's love and presence to surround you during this time. God bless the Carters John Patty and Kelly from West Virginia
