“ His departure is going to leave a big hole. He had one of the biggest hearts I've ever known! A great, great man! We will miss you Dan Dan!

Every time I see a pregnant mama I'll think about how knew I was pregnant before anyone else did! I had some fun time with him in Steve after hours at the store working on projects. I'm sure they a cracking each other up right about now!

Sorry the Coulter family will not be able to attend the arrangements. We will be in Alabama for my goddaughters engagement. Please know we wish we could be two places at once and are holding you all in our prayers as you lay him to rest. 🙏

Much love,
Kellie, Chris, Collin, and Cora Coulter
