“ *Dana was a wonderful friend. We went to Real Estate class together and then worked together. I hate I lost touch when I stopped doing Real Estate. She was so sweet and so much fun to be around. I'm so sorry to hear of her death but know she's definitely not suffering anymore.*

*God Bless the family and friends who are mourning the loss of this wonderful lady.*

“ *So sorry to hear of the passing of Mrs. McGee. When she drove the school bus for special needs children she loved and treated my grandson Matthew Rucker as if he were her own. Made his trip to Athens a good one everyday, and even came to his birthday parties. For this I am truly grateful. May she RIP. Elaine Gatheright.*

“ *I also drove a bus with Dana at Dacula. Where you seen Irma you also saw Dana. Two peas in a pod. These two where the meaning of true friendship. Dana pretty much always had a smile on her face all the time. She was a hard worker and an awesome bus driver. Her students loved her. She was a friend to them and they knew the line they were not to cross. I have seen Dana ticked off and red faced but it didn't last too long. If we all had friends and bus drivers like her we would all be better people. Love you Dana and I will see you in Heaven.*
