“ *Linda and family, when I first met Mr. David James, I asked what to call him. I was told Grampy. So that's what I've called him. Grampy was such a special man. I didn't get to see him for long before he went back to GA. But it didn't take long for him to show what a precious soul he was. I love him from the first time I met him. He will be dearly missed.*

“ *Mr. Dave was an extra special guy in my book. He loved peach cobbler and ice cream almost as much as he loved his family! I know he is with Ms. James and they are both soooo happy and pain free. Blessings and peace to his family. Connie Presley*
