“ Uncle David, what an honor to be alive during your lifetime and to know you and be your nephew. You touched so many lives just being you. You gave me my first "chaw" of tobacco, while we walked through the pasture at the Old farm place. You taught me how to play, "Root The Peg" which me and you played a lot sitting out in the grass with your pocket knife. You always let me feel of your beard and how strong and sturdy each hair was when I was a little boy, and you let me watch you shave and told me one day your beard will be just like mine. :) I remember asking you while sitting on the porch time and time again to let me see your big muscle, and you would bawl that arm up and a huge rock would come up on that arm, you were so strong and so hard working. Everyone that knew you, used you for work. You was a work horse like no other. What an honor to grow up in the same house with you, to know you and watch you, and my how you loved canned pork and beans with an onion. You had a heart of gold. That boyish smile that was always with you that lit up not only your face but the face and hearts of all who seen it. it will be terribly missed, it was such a sweet light of innocence that this world needs so much of. I will see you again in time my sweet precious uncle who gave me so many memories that I cherish and hold up as stars in my sky. I Love You and Ill see you in heaven. To know you have a new body and the clearest and strongest mind as you behold our Savior is so rewarding and due you. No more a Veil over your sweet mind, but the Light of our Father you see before you clearly forever and ever. God bless you! Your little nephew, Pat or Patso as you would say. :) <3
