“ *David, Amy, and Scott, you all have my deepest sympathy! Your mother and started first grade together, I have so many fond memories of her, since both our last names were adams, and we were seated alphabetically, we talked all the way through to 12 grade! She was so smart!!! She would quiz me on my spelling words every Friday morning, cause rest assured she knew hers. All I can think right now that almighty God has another angel in his presence now. I just found out this morning on the 23rd and I am so, so so sad. If I can ever be of any help to any of the family....drop me a line! Or FB me!*

“ *Dear David, Scott, Amy and family,
I'm so sorry to learn of Debbie's passing. I pray for God's peace to carry you through the coming days. I was reading her obituary and was surprised to see that her father was Orin Adams. I'm thinking he is the Orin Adams that was friends with my Dad, Bill Griffin. Dad spoke highly of him. Casey, Shelley and I know your pain and we hate so much that another family has to suffer such loss. ❤️*
