“ *This is Milad Saliba. Dennis gave me many names, the first was TWO MEN & A VAN because I owned a van and he & I used to ALWAYS be together helping others in need to move them to a new apartment . The last name he gave me around Sept 10th, 2021 was MY DEER MAN because a deer hit my car while driving. Dennis & I practically lived at the WAFFLE HOUSE enjoying each other's company . He even have my picture framed in his apartment . We all will miss him dearly. My condolences to all his family members.*

“ *My deepest condolences to the Stephens family. My dearest memories is when I was a young boy living in Commerce and just a couple doors up from Dennis' house and talking and playing tennis with Dennis. We moved away when I was young and unfortunately never kept in contact. Rest In Peace Dennis...you were a good friend.*
