“ *So sorry I did not know Don had passed , and I was not here to pay last respects. Don gave me my first opportunity to a full time employment, which I have always been grateful. He was the best Office Manager I have ever had. When our office closed he helped me and others with other employment. In the 24 years I worked at Blue Bell, there are many good and happy memories of Don. When I became an Office Manager I strived to use work ethics I received from Don and it made my job easier. My sympathy and prayers are with you, Betty and your family. May God continue to comfort you.*
