“ When my brother , Bryan Houghton was told the sad news , he said Bubba was a great guy . Bryan told me a story I had forgotten . He said a whole group of people from AHS went to Lake Spivey . Someone put out the challenge to see who could lift the back end of an automobile off the ground . Bryan said he thinks it was a 1967 Chevy Impala or maybe a Volkswagon beetle . Bubba and I were the only ones there who did it . Bryan said Bubba was powerfully built like Chip Kell .
