*We are so saddened to hear about the passing of Aunt Ezzelle. We are so sorry that we will not be able to be with and comfort you during this difficult time. You all were there for us when our Mother passed away and it does not seem right that we can't be with you. Just know that you all are in our prayers. Wish we could give you a hug.*

*Jerry & Susan,*

*We, too, are sorry to hear about your sweet Mama going home to be with the LORD. We know that you will miss her, but what great joy you, your children, and grandchildren brought to her throughout her life. So many years have passed since I saw her last, but she was always such a sweet, sweet lady. Blessings to all of you as you go through this time of grief. We love all the Mealor family.*
