“ *Doyle was a great friend with a witty charm and character. One of my favorite memories is, every Mother's Day; he would present a rose to all the working mothers employed at Walmart. My sincere thoughts and prayers and condolences to the family and friends.*

“ *I met Doyle many many years ago at WM. He was such a wonderful person and friend (WM family) the things that come to mind first remembering Doyle was his love for Carol and his family, the 2nd was his love for riding his bike. I know when he was first diagnosed with MS it crushed him that he couldn't ride anymore so now I want to picture him riding his bike all through Heaven. Rest in Peace m friend.*
