“ I just want to tell you all that the way my mind is i cannot tell you in person just how much i loved uncle ferd without balling my eyes out. He was always like a farther to me and i enjoyed working with him and it was just a joy being around him. he will always remind me of mom the way they both were just alike in personality. they were both the kindest and good natured people ever. I dont have many people now who i know would do anything for me but i think most of you would. I know i was not around much the last years but that does not mean that i dont love all you with all my heart. I am going to miss him sooo much. He went the way I would like to go , just lay down and the next minute be in heaven with mom and granny and grandpa and the rest . what a wonderful reunion it must be in heaven today. I love you all . love and prayers to all. Dale Smelley

*Dale, I just saw this. Such a sweet message.
Daddy was the best and I miss him so much but I know he is better off with no pain and rejoicing with his family in heaven.
Daddy thought the world of you, we all do! Don't be a stranger, we would love to see you around some times.
And yes, Daddy and Judy were the sweetest souls ever!*

And, you are right, every one of us would do anything for you. We love you bunches!!
