“ *Grief can be so hard, but our cherished memories help us cope. Hold tight to those memories....Lean on each other for support.... And look to God's word the Bible, for comfort and strength. James 4:8 encourages; "Draw close to God, and He will draw close to you."*

“ What a wonderful woman she was to all of us. Her very presence would light up any room. Just to visit with her and Uncle Bob were some of the best memories of my life. Our family is so grateful for her in our lives. We will certainly miss her here, but will join her again someday. All our love...Billy and Dee Dee.

“ *I m so sorry for this sad time for our family to go through. I have many favorite memories with my favorite Aunt:) She always was a spiritual encourager to me. When Danny was born sick. When I had surgery. But probably when she stayed with us while waiting for their house in Morrow to be completed. We canned a whole wheel barrel full of tomatoes together. I remember loving spending that time with her. Then when one of my dads "friends" came by-she totally gave him a piece of her mind, while I silently cheered her on:). I always say "Aunt Floy gave me my spunk that day". That is/was a good thing. I m thinking of her now being on those streets of gold. I know shes loving it!*
