“Glen will always be nicknamed Saw to me. My last room mate at Lander before graduating in 1978. He called me every year around the holidays just yo keep in touch. I only saw him once since 1978 and that was 4years ago. We went fishing and talked a lot. I will miss the annual call this time of year. Glen will be missed . Prayers for his family .

“I knew Mr. Glen through Ashley and mostly because we share life's goings-on with one another. The times I we did meet he was so friendly. Ashley and her daddy were so present and engaged in each other's lives. Their relationship, the girls, Kirk and all things farm was such a beautiful testimony of life well lived. Much prayers and blessings to you Ashley, Kirk, Jaymi, Jemma and the Glen Chaney Family as you celebrate the life of your loved one.

“ Ashley, Jenni, Kelly and Families, I never in a million years ever thought Glen would not be here on earth but instead watching us from above. He would drop by for a chili cheeseburger at the place in town ,or Sunday lunch coming from Jenni’s on his way home, or early for a Red Devil game and killing time. Spur of the moment but it didn’t matter. He was my brother that I didn’t have. We could go months and not talk then talk twice in one day. We hadn’t talked since July. I thought it strange but figured he was just busy on the farm, busy with the grands, or off on one of his adventures. Thought we would talk soon but it did happen this this time. I love you Glen and you will always be close to my heart.
