“ *Heaven gained another angel ... and a very special one. I learned so much from Harold and was ever so pleased when he agreed to come to work for me at Book Warehouse so many years ago. I never saw Harold when he wasn't joking around and making me laugh ... as well as all our customers. My deepest condolences to his family, and Barb, you know how much I love you and Harold ... he was definitely one of a kind.*

“ *Harold was my second level supervisor at the FAA. I always admired his fairness and professionalism. He treated everyone the same. He was always quick with a joke and very easy to talk to. Please extend my most sincere condolence to his family.*
