“ *I have known Harriett since she was about 16 years old. We spent alot of good times together and then worked together at Ruths Florist on holidays. We still talked on the phone from time to time. Now your pain is gone and you are laughing with Ruth and Deborah in Heaven looking at all the beautiful flowers. Praying for the family.*

“ *Many a weekend was spent with Harriett, mostly at the lake swimming and playing with Amy or just laying there sunning and talking about life in general. We shopped together some, had many laughs together and some grumbles too! Then life took us in different directions and we didn't get together as much but that's life and responsibilities. Go rest now Harriett and give your mom & mine a big hug.*
