“ *One thing I'll always remember is the big birthday party at Skate-A-Rama with Heather and one of our other classmates in elementary school. Our birthdays were one after the other. Mine was on March 13th, and the other classmate's was on the 12th. We had a ton of people there, and it was a blast. Prayers for Heather's family and friends during this sad time.*

She was always a shining light to both of my daughters! Even while sick she strives to do her best and expected the best of her students. I have great admiration and love for her. She will greatly be missed but so happy she is not suffering any longer. What a brave and courageous fight she fought! We love you coach! The Stringer Family
