“ *Mister minish was an outstanding man. I thought of him as a great grandfather, when he was at his hangar working on his plane I always used to stop by and talk with him. The day he crashed I seen it and I tried to help. I was pulled back by my parents, I wish I could have helped. He was a wonderful instructor, and an amazing man in general. I miss you*

Our deepest sympathy to the family. Howard was a wonderful guy been friends with him over 50 years. Started doing mower/chain saw business with him when I first moved to this area. Just was at his house this past Saturday to get some work done. Will truly be missed by lots of people.
