“ *Jimmie:*

Donna and I were so saddened to learn of Jack's passing. He was an amazing and godly man. I know that he will be missed by his friends and all who knew him, but most of all by you, Jeff and your extended family. He was so kind and ready to take care of others. We will be remembering you in our prayers and if we can be of any assistance to you please give us a call. Your Friends, Donna & Jerry Payne

“ I have the fondest memories of Jimmie and Jack, a Christian couple, and so in love with each other in high school and throughout life. They both played on our basketball teams at BCHS and, naturally, were inseparable when travelling to away games. They were perfect for each other.

Five or six years later, the Banks County Draft Board called on Jack and me to take our Army physicals together in Atlanta. It was during this weekend that I came to know Jack more deeply and to realize that Jack, not I, should have been president of the class of 1956. But Jack, being the class act that he was, never showed any disrespect to me.

Love ya man!

“ Will miss Uncle Jack but I am thankful for the time I got to know him and spend time with him. I really appreciated him calling me on my birthday. I admired him for his wisdom and how he always had a logical way of giving advice. Uncle Jack made the best of every meal, always start with dessert first. I certainly have a sweet tooth so it must run in the family. I will miss him dearly.
