“ *I met Jack through Randy Haggard and Kimsey Allen (RIP) I will never forget the great cook outs at Randy and Jacks cabin down by the pond. Although I was not from down south (New York) he always made me feel welcome and liked he used to call me Yankee Gene or Yankee or just Yank and never once did I perceive that as an insult it was all in good fun. I will surely miss him along with Kimsey Allen . May God rest your soul Jack.*

“ I robin Reichert worked in 2 Moreno valley stater brothers and first met Mr. Jack brown who was with the last stater brothers before he diedi worked a total of 10 years at stater brothers until I had to leave due to my family needing me at home to take care of them. I have been homeless since 2016 and never asked stater brothers to help me because I figured they wouldn't since I'm not an employee anymore however it was the best 10 years of my life working at stater brothers and shaking Mr. Jack brown's hand many times while working I was acting service deli manager for the last 6 months before I had to leave my job it was so much fun and we were all very happy and Mr. Jack brown was a very kind, pleasant, helpful and generous man and during rib feast he would take his jacket off roll up his sleeves and get in there swinging ribs with the meat department then jump over and help us in the connected service deli he always made us laugh when he arrived. He is very much missed my condolences go out to his family and may he be in the wings of angels and by gods side he was a very great man God bless to jack brown and all his family it was a great pleasure meeting him rest in peace Mr jack brown you were a very good man.

“ Our deepest sympathies to Mule, Jackie, Seth and Elaine. We always enjoyed visiting with Jack when we came through Commerce to visit with him and his Mama. He was a comfort to my mom for many years, him being her only living male cousin. Y'all are in our prayers.
