I worked with Jim in multiple Wal-Mart stores. He was a mentor to his associates, fellow managers, and beloved by all including his customers. He was like a brother to me, and called me that often. He had the greatest sense of humor as we laughed and joked together often while getting the job done. He had a strong work ethic, dedication, and impeccable integrity. I can't say this about many but Jim was a great man. Know that he is loved by all and will be greatly missed. Heaven got an incredible one today. Till we meet again some day Jim Rest In Peace my friend and brother in Christ. My prayers for the family in this time of sorrow. Wal-Mart Store Manager Paul Christoffersen
