Ray & I love you and know the pain you must be feeling. God has a purpose for all of his children. Your Dad was called home to be with God, for what purpose we don't know. He is free from pain and suffering. He is now your Guardian Angel and will always watch over you. He will also be at the Pearly Gates of Heaven to welcome you with open arms when the good Lord calls you home as well. Just know that you are loved by many people here on Earth as well as those who wait in Heaven.
