“ *Jerry was a kind, thoughtful and giving person. He was a friend who loved puzzles. It took him a short time to put the 1000 or more pieces together. I got to know Jerry and Sylvia, they soon became great friends. He accepted Scott's daughter Faith Vickers as one of his own. The love shown each other was obvious. Scott Vickers and Anna were a great comfort to Jerry. I would say they were great caregivers to Jerry. They helped him with lots of things as we age, they love him and will have great memories.
